

## Is your logistics provider prepared to meet your trade show needs?

Not all companies providing cargo services are adequately equipped to handle the intricate nature of trade show management. Aeronet is!

### 35+ Years of Experience

Not only does Aeronet have extensive industry experience, we're also extremely knowledgeable of advanced receiving, and direct-to-venue deliveries and pick-ups.

### Complete Coordination

Aeronet will see your project through from start to finish. Our Associates care about your cargo. Using our proprietary AeroTrac<sup>®</sup> system, we're able to track and manage your shipment at every stage. This information is available to you, 24 x 7 x 52, along with live Client support.

### Multiple Transportation Options

We have numerous ways to handle your shipment – less than truckload (LTL), full truckload (FTL), local, exclusive-use truck, flatbed, oversize, and over dimension. Aeronet is also able to devise creative solutions for every budget.

### Special Services & Equipment

Aeronet offers advanced warehouse, direct-to-show, and show-to-show service. We also offer a variety of White Glove services, including multiple men, inside delivery, liftgate, crane/forklift, product placement, uncrating and debris removal, and delivery anytime (days, nights, and holidays).
